

RESOURCES FOR LATINX STUDENTS

General Advice for Latinx Students

The Career Center at CSUF is available to support Latinx students in being successful. Below we list various tips and suggestions to help a student make the most of their time here at CSUF.

Use the Career Center

Here at the Career Center, we have various resources to help students. We encourage students to set up an appointment with a Career Specialist to understand your strengths, review your resume/cover letter, practice interviewing, and find internship/job postings. We also recommend that you visit our website to review various resources and to learn about the events that we are putting on for the semester, such as Career Fairs and Workshops.

On-Campus Resources

At CSUF there are various on-campus organizations for Latinx Students.

Latinx Community Resource Center

The LCRC acts as a welcoming space for students to build community. Additionally, the LCRC has various programs that allow students, faculty, and staff an opportunity to learn about others' experiences.

Build a network

College is the perfect time to start building and developing your professional network. This network can be made up of friends, classmates, professors, staff, and alumni. We encourage you to create a LinkedIn account so that you can network with alumni that are currently working in your future field so that you can learn more and become

Platicas with Professionals

The LCRC puts on an event titled "Platicas with Professionals" in which Latinx professionals share their experiences in the professional world. To learn more about this speaker series check out their Instagram [@lcrc_csuf](https://www.instagram.com/lcrc_csuf).

LinkedIn for Latinx Professionals

You can also join groups on LinkedIn for Latinx Professionals, which allows you to connect with others and see various job postings. Here are the links to access these groups:
