

RESOURCES FOR STUDENT VETERANS

General Advice

The CSUF Career Center's priority is to support and empower Veterans in their career and job search trajectory. If you have any questions in regards to career development, job search, or **salary negotiation**, please schedule an appointment with a Career Specialist/Career Coach. It is important to note that all CSUF students and alumni students for up-to one year after graduation are eligible and encouraged to utilize all the Career Center's services/resources listed below, including our career fairs and jobs/internships posted on **Titan Connection**.

• Salary Negotiation

On-Campus Organizations

Veterans Resource Center

www.fullerton.edu/veterans/

Here at CSUF, the Veterans Resource Center is a great resource for Veterans and military-connected students. The VRC supports Veterans, their spouses and families in their personal, academic, and professional development, ensuring their success. Below are some of the programs offered via the VRC:

- **Vet Forward**, is a program implemented to offer career based resources and assist Veterans with their professional development

www.fullerton.edu/veterans/

- **PAVE Peer Advising (PAVE)**, is a peer support program that partners incoming student veterans with student veterans who are trained as Peer Advisors to assist incoming college student veterans with navigating college life, addressing challenges students may face, referring them to appropriate resources on and off-campus, and providing ongoing support.

- **Titan Warrior Wellness (TWW)**, is a program that provides veterans and military-connected students with individual support, activities, student peer led groups, and interactive workshops to improve their well-being. The program offers information and resources on ten wellness pillars that students have identified as significant to their experience on the CSUF campus.

On-Campus Opportunities

Veterans Resource Center provides several opportunities for students to gain experience. CSUF offers, **Student Veterans Association (SVA)**, an organization that supports, inspires, and influences student veterans, military-connected students and supporters to get involved with student life on-and off campus.

Off-Campus Organizations

Veterans and Youth Career Collaborative

Listed below are great programs/associations for professional development, leadership, training, and extracurricular programs to add to your resume and allow you to create a professional network. At Veterans and Youth Career Collaborative, veterans are welcomed to use resources for the purpose of bettering themselves. Their resources include quick resume reviews, interview skills and insight, or classes offered to polish skills needed to be successful.
