

Foster Youth Program Guardian Scholars

The program provides

support, resources, and community connections for current & former foster youth at CSUF

Services include

- Priority course registration
- Priority consideration for on-campus housing
- Community Enrichment Activities
- Educational support resources, when available:
 - can include support for books and supplies, parking permit or bus pass, technology support and other needs

Who we are

Guardian Scholars is part of the Center for Scholars which supports six different scholar groups and provides a hub of support on campus for over 300 students. Some of the support and resources include: Workshops and Programs, Student Study Spaces, Free Printing, & more.
