Computer Engineering Program

APPLICATION FOR GRADUATE RESEARCH

Important:
Be sure you're familiar with the department policy on either your project, thesis, or independent research, found in the applicable Master's Handbook. This policy establishes limits on the number of units and the nature of the study topic.

To the student:
1. Complete a proposal* for your project or thesis, following the department guidelines.
2. Have this form signed by your faculty advisor.
3. Submit the form with the proposal document attached to the Computer Engineering Program at cpenprograms@fullerton.edu

Date: _____ Semester: _____ Year: _____
