

Dear Titan:

Would you like to delay your fall registration fee payment until your financial aid is available in August? You need to take action **NOW!**

Your 2008-2009 financial aid file is not complete*. If you plan to enroll at Cal State Fullerton fall 2008 and need financial aid to pay your registration fees, you must complete your file before we will arrange for your fee payment to be postponed.

What do you need to do to complete your file?

- Go to New TITAN Online through the [Student Portal](#).
- Once logged into the Student Portal, look for your "To Do" list, located on the right side of your "Student Center".
- Click on "details" on the bottom right of your "To Do" list.
- Download and print each form by clicking on the "document icon" on the right.

You must submit all required documents to the Office of Financial Aid at least a week prior to your registration date. We recommend you bring your documents to the office in person and have a member of our staff review them for completeness and accuracy. Incomplete documents will not be accepted and your file will remain incomplete.

Once your financial aid file is complete, we will send you an e-mail to let you know we have arranged to postpone your fee payment. Be sure to contact our office if you experience any problems with downloading, printing or completing a form.

Sincerely,

CSUF, Office of Financial Aid

* If you recently submitted documents to our office, please allow one week for processing and check New TITAN Online to verify your file is complete.
