If you are planning to bring a vehicle to campus, we strongly encourage you to purchase your Residence Hall Parking Permit in advance of Opening Day. If you are not planning to bring a car to campus, be sure to check out the Enterprise CarShare program which provides Cal State Fullerton students the opportunity to “rent” a vehicle on an hourly basis. Be sure to visit the Parking and Transportation table in the Housing Piazza on Opening Day for more information.

Visit the Parking and Transportation website at parking.fullerton.edu for parking information and driving directions.

MOVING SUPPLIES

There will be a limited number of moving bins available for check-out for one hour with a photo ID (not your TitanCard) from five stations located throughout the student housing community. Please review the enclosed maps for locations. **Residents are encouraged to bring hand trucks and carts to assist with unloading.** Volunteers (wearing orange t-shirts) will be available to provide assistance with unloading cars and carrying your belongings to your assigned room.

ROOM AND MEAL PLAN ACCESS VIA TITANCARD

Please remember to bring your TitanCard with you on Opening Day as it will serve as your room and meal plan access card when entering your residence as well as the Gastronome. Please make sure your TitanCard is not worn out or damaged prior to move-in, as the encoding system will not work on damaged cards and you will have to obtain a new one from the mobile TitanCard Office located in Juniper 150. Replacement cards can be obtained at the Library for a cost of \$10.

Please follow these instructions when using your TitanCard to gain access to your assigned room:

Swipe your TitanCard at the door of the room/location to which you have been assigned. *If the light is:*

Red: Wait 1 - 2 minutes, and swipe a second time. If you receive a red light again, report the issue to the Housing Office.

Yellow/Amber: Input your PIN (the last 4 digits of your CWID) to unlock the door and enter your room.

Green: You may enter your room now. Within 24 hours you will be required to enter your PIN when accessing your room. If this persists, please report it to the staff at the Housing Office.

On Opening Day, you will be issued a mail key for your designated mailbox. In addition, apartment residents will be issued bedroom keys which will provide access to their specific bedrooms within each apartment suite.
