

Mandatory Student Training

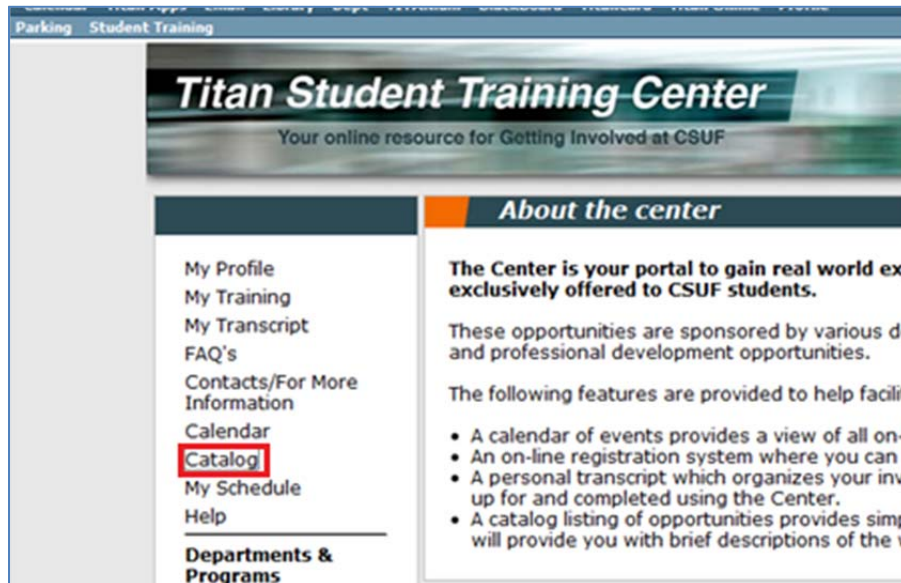

All new student assistants are required to take the mandatory online training for the following courses:

- Confidentiality
- General Safety
- New Student Employee Orientation
- Sexual Harassment Prevention
- IT Security Awareness(mandatory for students requesting Level 1-2 access)

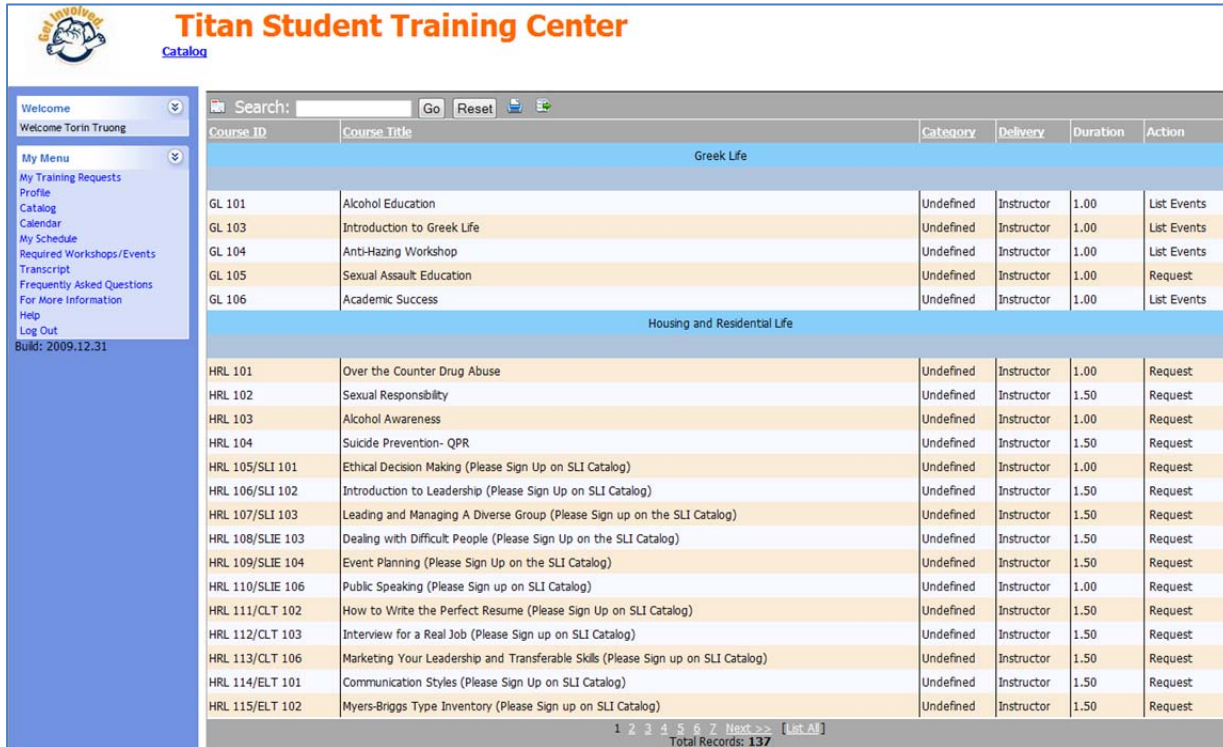

To access the training, student assistants will need to log onto their Student Portal and click on the tab labeled *Student Training*. If they do not see this tab, they will need to go to their *Profile* to add it..

Next click on the *Catalog* tab on the left column.

Find the Student Employment Program section, by scrolling to pages 2 and 3 from the bottom of the screen. Click *Launch* next to the training you want to complete.
